

# REPLACEMENT SHEET

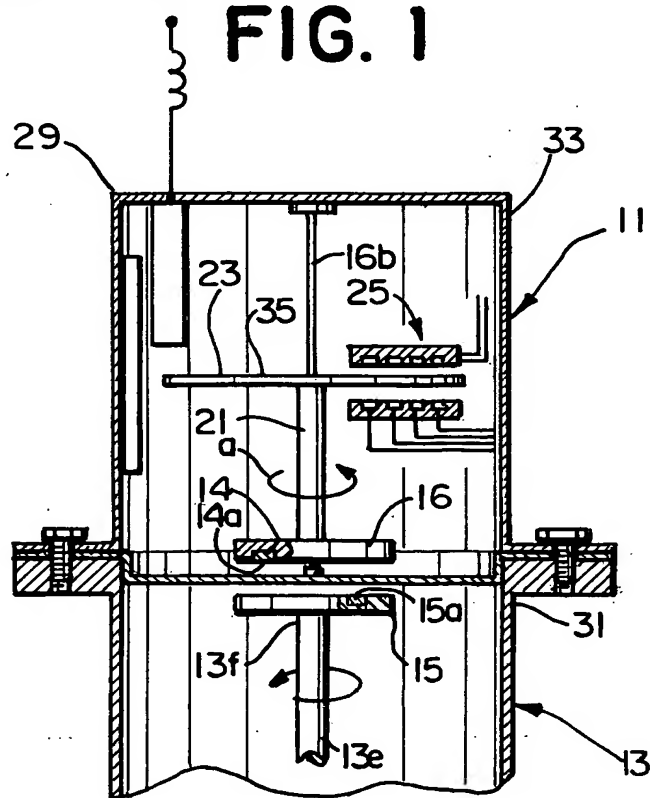

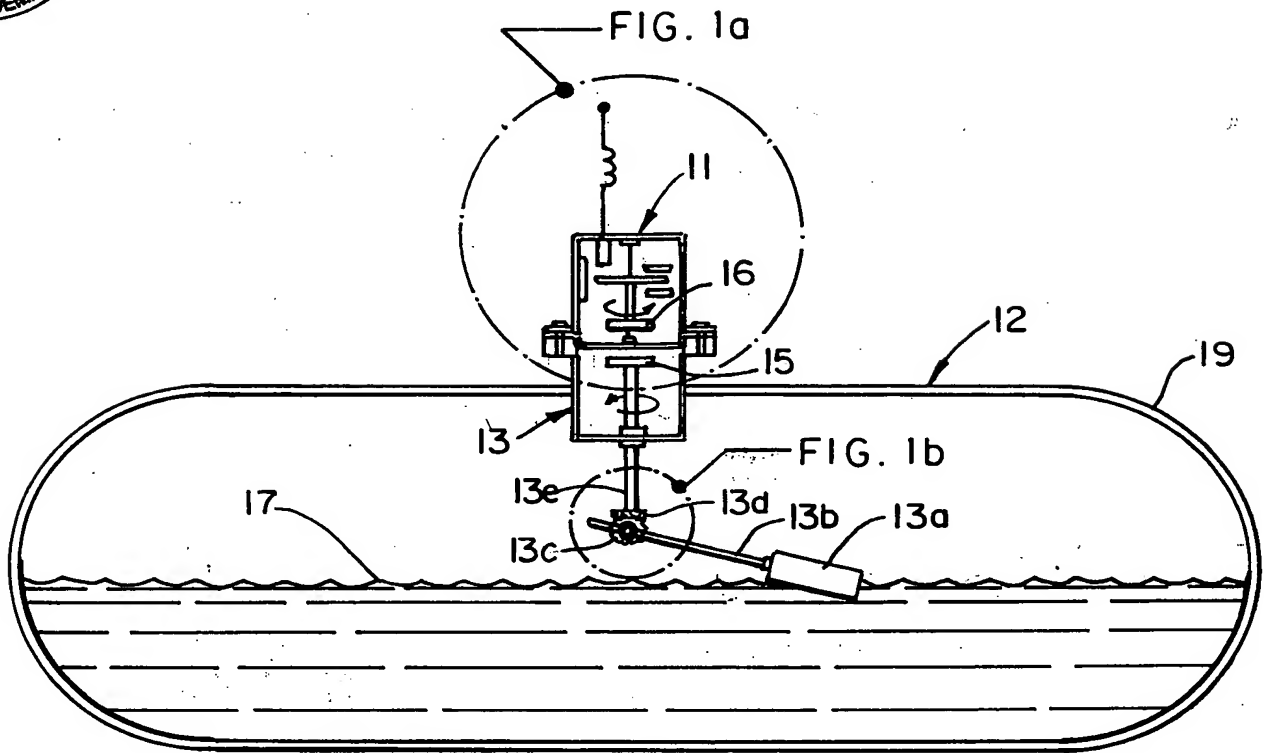

FIG. 1a

FIG. 1 is a schematic diagram of a circular disk 23. The disk has a central hole 49a. The disk is divided into concentric rings and radial segments. A dashed line 37 represents a spiral path. A line 41 is shown with an angle 39a between it and a horizontal reference line, and an angle 39 between it and the radial line 43. Other labels include 43, 45, 47, 49, and 43.
